RE: Containment Pad Depressurization System – Final Construction
Completion Report dated November 8, 2016
Former Clifton MGP Site
Site No. 243023
Town of Clifton, Richmond County

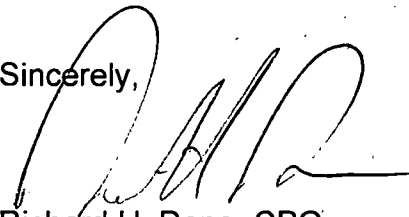

Dear Ms. Vater:

The New York State Department of Environmental Conservation (the Department) has reviewed the Containment Pad Depressurization System – Final Construction Completion Report (CCR) for the Clifton MGP site, dated November 8, 2016: I also received the revised Figure 2 which I requested - now Figures 2A, 2B, and 2C - on November 30. The CCR is hereby approved with the following correction.

Please correct the text to refer to "Figures 2A, 2B, and 2C show..." and send me a complete corrected document with the new figures inserted.

If you have any questions concerning this matter, please contact me at 518-402-9680.

Sincerely,

Richard H. Dana, CPG
Engineering Geologist
MGP Remediation Section
